RE: Revision of Mining Plan, UT-056-2P

Dear Mr. Corkill:

Your letter addressing the disposal of reject wallboard and modifying your Plan of Operation was received on May 23, 1990. We are reviewing your request to modify the current Plan. We are extending the approval time from 30 days to 60 days to allow for more review time for our agency and for the Division of Oil, Gas, and Mining, State of Utah.

Before a decision is rendered, the BLM and DOGM may conduct an on-site inspection. We will contact you if needed.

If you have any questions, please contact Michael Jackson at (801) 896-8221.

Sincerely,

Gary L. Harp
